## Early Booking Special on Bottom Jobs!

Book now and save the tax as well as guarantee your spot

Spring will be here before we know it! We are offering a special price for those who book bottom prep and paint by the end of February. E-mail or call ASAP to secure your spot in our tight schedule. A quote will be provided for your boat and you save the tax.

## WINTER REMINDER

Please come check on your boat during the winter months. Boats can get cold and lonely, well not really but stands do loosen and tarps rip so we recommend checking the status of you boat on a regular basis.

## Tohatsu Launches all new 75 / 90 / 115 HP Outboards

Tohatsu Outboards have added a completely new outboard range to their lineup. The new MFS 75/90/115 hp outboards feature quiet idle, better hole shot, higher torque, faster speeds and Tohatsu's promised reliability. These are perfect for your next boat or re-power project.
