

August 2020 NEWSLETTER

SUMMER 2020 - Debrief

IMPORTANT INFORMATION

As the summer of 2020 comes to a close, the staff at Shining Waters would like to thank you for your loyalty and patience while we navigated through this unusual season.

The following are a few friendly reminders we wanted to share to help keep everyone safe and our marina running smoothly in the years to come:

- **Kids and Lifejackets:** Too often there are young children and infants on the docks without PFD's.
- **EFFECTIVE January 2021 LIFEJACKETS FOR CHILDREN UNDER 10 are MANDATORY on the Docks at Shining Waters.**
- **Sale of Boats:** Should you sell your boat in the yard, it is the former and new owners responsibility to contact the office and make sure we are aware of the change and for the new owner to provide proof of insurance.
- **Parking:** We remind all our customers when parking be aware of the yard equipment and where you are parking. Please keep in mind that parking by the docks is limited to 15 minutes.

BOATINGSTORE / Marina Office

NEW HOURS

Effective until October 4th

Mon to Thurs 0830 to 1700

Fri 0830 to 1900

Sat & Sun 1000 to 1800

Mon to Fri 0830 to 1700

Sat & Sun 1000 to 1300

November 15th - WINTER HOURS

Mon to Fri 0830 to 1700

**PLEASE REMEMBER MASKS ARE
MANDATORY WHEN VISITING
THE STORE**

Customer Appreciation Party

Regretfully, the Customer Appreciation Patio Day will have to be postponed until 2021 due to the pandemic.

- **Guest Behavior:** We encourage all our customers to use their boats as much as possible. Please remember when you invite guests on board you are responsible for their behavior. this includes their actions on and off your boat and how they respect the marina's property.
- **Tenders and Trailers:** Please make sure your trailers and tenders are properly tagged for the season. We have had people using our docks without paying and taking up space.
- **CHANGE FOR 2021:** All Dock customers, if your tender can fit in your slip and not impede your neighbor we will allow you to keep your tender in your slip OR on the tender dock. We will trial this in 2021.
- **Mooring Customers:** When you need to come to the dock for any reason, please check with the BoatingStore for direction as the few slips we keep open are often booked by transients. **Reminder: Mooring customers receive 50% off the nightly dock rental.**
- **Support Local! :** Should you need anything please visit the BoatingStore. If we don't have it in stock, most items can be brought in next day.

Price List 2020/2021

The price list for the remainder of 2020 and into 2021 is now available on our website. We are pleased to announce no major changes. Please review if carefully.

Reminder our storage runs as follows:
 Winter - October 1 to May 31
 Summer - June 1 to September 30

2020/2021 Price List

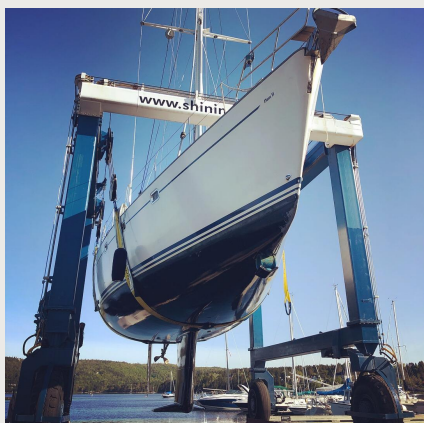

NEW PRODUCTS 75 / 90 / 115 HP Outboards

As you are aware we are a Tohatsu Dealer for outboard engines. Tohatsu recently announced the launch of the ALL NEW 75/90/115HP Four Stroke Engine to their line up. This is completely new engine and we can order you for your repower today. Comes with a 5 Year warranty and our Tohatsu Trained Mechanic can install easily.

Stay tuned for another big announcement from Tohatsu regarding their BFT 150-250 HP Outboards in 2021.

FALL HAUL PROCEDURES

When you are ready to book your haul, please e-mail Jill, our Service Coordinator @ admin@shiningwaters.ca or call the marina office @ 902-826-3625.

The following items are required;

1. A current boat storage contract on file - [Click Here](#).
2. Fall Service Request - [Click Here](#)
3. Proof of Insurance
4. An understanding of our current Price List.

5. Access to Keys to move your boat and any other instructions.

WINTER WORK

Hauling Reminders:

- Please have your cradle or stands labeled with your name and boat name on them.
- You must have your boat prepped and ready for haul a minimum of 24 hours ahead or an hourly rate will be charged for the yard crew to prep.
- If you require a pump-out or to be fueled make sure the office knows so we can do these before hauling (this needs to be on the Fall service form).
- There are no guaranteed spots for Winter Storage, you will be placed by the yard manager.
- If you plan to go in early in the spring let us know so we can put you where we can access you easily.
- PLEASE let the yard crew work, keep clear of machinery and work area.
- You can book your haul date anytime, if you are flexible let the office know and we will try and accommodate you.

SAILS ARE NOT TO BE UNFURLED ON LAND, Please remove your head sails before hauling. Reason: there is a chance when removing them that they can catch a gust of wind and tip the boat over possibly taking others with it and injuring someone.

Thinking about that little project? We are here to help. At Shining Waters we have a heated indoor facility to work on your boat through the winter months. You may want your engine rebuilt, windows replaced or those annoying little gelcoat chips repaired. We have Marine Service technicians trained in all areas to repair or restore your boat.

Aging boats and systems that may not have been upgraded or regularly maintained may need attention to avoid delaying your 2021 season. Best to get these things done ahead of time. Call us to day to discuss some options.

New to boating or looking for a refresher?

Drop into the BoatingStore to pick up your copy of the new "2020 Safe Boating Guide" We have copies in French & English.

Also available are issues of "Sharing The Waterways", trip plan books and fun books for your kids to colour to peak their interest.
