### SHRINK WRAP DISPOSAL

1. Your Launch must be paid in full and a zero balance on your account.
2. If you have a mooring or dock the remaining balance needs to be paid by May 15th or launch whichever is earlier.
3. We must have up to date insurance information & a signed boat storage contract.
4. A Spring launch form needs to be completed.

A Green RE Group Bin (with a sign on the side) will be onsite for you to put **only the plastic in**. All wood and other pieces, please place neatly on the ground behind your boat so it can be recycled next season. Should you want to book our Yard Crew to remove the wrap for you, there is a charge of \$95 + HST.

we cannot guarantee a time of day for your launch as there are too many factors that can change the schedule, so you will be called when your boat is floating and ready to be picked up.

There will not be a grace period on our docks after June 1st as we are full, we ask that you make arrangements to take your boat the same day it is launched or you will be charged a daily rate.

We ask customers to please abide by social distancing regulations, stay away from the lift while crew is working and if you require your pad spots be painted you must leave the paint and a brush below your boat.

**All sailboats**, please review the spring launch form, we have revised the Mast Stepping Section. We've booked the crane to come each Wednesday in April/May & June so once you've sent in your launch form, your mast date will be booked. You **MUST** have the mast ready 48 hours ahead and if you require our crew to do anything aside from step the mast you must indicate this, in detail on the spring launch form.

## PARTS, PAINT ETC.

Our store is stocked with all the common parts and pieces for your boat, we are also a dealer for Yanmar OEM Parts, Westerbeke OEM Parts, Tohatsu Outboard Motors and Parts, Rolls/Surrette Batteries.

Please think local when making your next boating supply purchase.

Price Matching: we will price match any chandlery in the local area (except for electronics).

## Shining Waters Staff Updates

We would like to Welcome back Emma Hansen who is returning as our senior Boating Store Clerk and we have hired a second clerk, Scott Hiscock to join our team.

We would also like to welcome our new Yard Manager, Duane Jollimore to the SWMS team as well. Duane comes to us with a wide range of experience and will be a great addition.
