April 2020 NEWSLETTER

COVID-19

IMPORTANT INFORMATION

This state of emergency has impacted all of us. First we would like to hope you and your family are doing well and abiding by the provincial guidelines. Second, Shining Waters has been dealing with this pandemic in a safe manor for staff and customers. While still continuing to support the economy and keep our staff employed.

Currently, we are moving forward with getting our season ready, installing docks and moorings and starting to launch boats. However, this could change at any time. We ask customers to be patient as we must keep our staff & customers safe by following the guidelines, which in turn will slow our process.

The Marina Office and BoatingStore are operating however closed to the public along with the washrooms.

If you would like to book a launch, please contact Jill at the office, 902-826-3625 or admin@shiningwaters.ca

BOATINGSTORE / Marina Office

Open-pen fish farms in St. Margaret's Bay.

Thanks to all those who voiced their concern regarding the open pen fish farms. It was announced that Cermaq will walk away from expanding into Nova Scotia Waters.

SHRINK WRAP DISPOSAL

As outlined in the boat storage policy, all customers who have their boat shrink wrapped will be

If you choose to launch,

1. Your Launch must be paid in full and a zero balance on your account.
2. If you have a mooring or dock the remaining balance needs to be paid by May 15th or launch whichever is earlier.
3. We must have up to date insurance information & a signed boat storage contract.
4. A Spring launch form needs to be filled completed. This can be downloaded off our website.

Once you have your launch booked, we can not guarantee a time of day, so you will be called when your boat is floating and ready to be picked up. There will be no grace period on our docks, we ask you come and take your boat the same day it is launched.

We ask customer to not be present when we are launching your boat.

All sailboats, please review the spring launch form, we have revised the Mast Stepping Section. We would also like to get ahead in our mast stepping so if you need your mast stepped, we can do this on land and a few weeks ahead of time. Therefore this will help us speed launches up during the busy period.

POSITIONS FOR 2020 SEASON

Shining Waters had advertised that we were looking to hire some summer staff but now due to the current COVID 19 situation, hiring is of course on hold. Please know that if you had applied, we will keep your resume on file and when things go back to business as usual we will reach out to you. We did however hire a **Parts/Inventory Manager, Libby MacLean** and we are thrilled to add her to our team. Libby comes to us with over 20 years of experience working in parts.

charged a \$40 + HST Disposal Fee for Shrink Wrap. A Green RE Group Bin (with a sign on the side) will be onsite for you to put **only the plastic in**. All wood and other pieces, please place neatly on the ground behind your boat so it can be recycled next season.

PARTS, PAINT ETC.

We have come up with a creative way to be able to continue to sell you what you need while staying safe and healthy. Should you require any parts, paint etc. please call or e-mail us and we will deliver the items to your boat or leave them outside the store for pick up.

Our store is stocked with all the common parts and pieces for your boat, we are also a dealer for Yanmar OEM Parts, Westerbeke OEM Parts, Tohatsu Outboard Motors and Parts, Rolls/Surrette Batteries.

Please think local when making your next boating supply purchase.

Price Matching: we will price match any chandlery in the local area (except for electronics).
